railway company: DRG

**139,90€**

Set of three compartment coaches of the Deutsche Reichsbahn-Gesellschaft.

The set contains a three-axle 3rd class coach with brakeman's cab, type C3 pr 11, a three-axle 3rd class coach without brakeman's cab, type C3 pr11, and a two-axle 3rd class coach with brakeman's cab, type C pr21.

- Coaches in different configurations

The design of the compartment coaches dates back to the early days of the railway. The Pr 11 type was one of the last Prussian compartment coaches to be built with a clerestory roof, and it became the most commonly produced passenger coach in Germany. Coaches were available with either three or two axles, and with or without a brakeman's cab.
